WBL PROGRAM—5 SENIORS INTERVIEW

Work Based Learning Program students Robert R., William C., Andreu L., Kevin V., and Jose B. attended and had the opportunity to interview with Starbucks Managers from Yonkers, Tuckahoe, and New Rochelle on February 27, 2014.

This excellent opportunity allowed students to put into practice what they have learned in the WBL Class. After the interviews, the store managers shared their feedback with Mrs. Farella regarding the interview process, the students’ strengths and weaknesses.

Congratulations seniors!

Program facilitator, Judy Farella commented: *“The experience was wonderful from the students’ behavior to the warm welcome we received from the Starbucks’ staff. They were genuinely interested in our students and spent time individually interviewing each and every one.”*
